LOWER COLORADO RIVER BASIN COALITION

You are Invited!

Aug. 21, 2018

12-1:30 pm
Mikeska's BBQ
Hwy 59
El Campo

The LCRBC Executive Committee invites you to hear State Senator Lois Kolkhorst at a luncheon in El Campo on Aug. 21, 12-1:30 pm, to address issues of particular interest to the lower Colorado River basin.

Here are some issues facing the Colorado River today:

- LCRA is updating its Water Management Plan through early 2019
- LCRA is under review by the Texas Sunset Commission through early 2019
- Draft-State Flood Assessment is scheduled for public comment at the end of August
- Texas Legislature convenes on Jan. 8, 2019.

Please RSVP to Mitch Thames at the Bay City Chamber of Commerce (phone/text 979.245.8333 or email mitchthames@visitbaycity.org). Check, cash or credit card accepted. No-shows will be invoiced.

RSVP: phone/text 979.245.8333 or email mitchthames@visitbaycity.org

WHY: to make your voice heard on Colorado River issues

The Lower Colorado River Basin Coalition represents counties, communities, businesses, private landowners, agriculture, and conservation and environmental groups.

Key concerns of the Coalition:

- Balanced allocation of river water
- Highland Lake storage
- Use of new Arbuckle Reservoir at Lane City
- LCRA Founding principles – the environment, river water quality, agricultural irrigation and flood concerns should remain central to LCRA policies -- as required by its enabling legislation

We hope to see you on Aug. 21!

About LCRBC

The coalition urges a fair and balanced approach to river management for all parties under all conditions – from drought to flood. The Lower Colorado River Basin Coalition is a 501 © (6) entity.
